## Sparekassen Sjælland-Fyn A/S upgrades expectations for 2023

Sparekassen Sjælland-Fyn upgrades expectations for the year's profit before tax for 2023 from a range of DKK 550-650m to a range of DKK 650-725m.

The upward adjustment is due to

- the savings bank has higher expectations for net interest income than previously calculated
- the savings bank expects lower impairment losses on loans and advances than previously budgeted.

The Interim Report Q1-2023 will be published as planned on 10 August 2023.

Kind regards
