Acquisition of shares in Nordfyns Bank A/S

Today, Sparekassen Sjælland-Fyn A/S has – with the approval for the Danish FSA - acquired a shareholding in Nordfyns Bank A/S, which brings the ownership above 15%.

The acquisition of shares takes place because Sparekassen sees it as a good financial and strategic investment in a well-driven local bank.

Nordfyns Bank A/S is on the same IT platform as Sparekassen, which will provide significant synergy associated with further cooperation.

However, it must be emphasized that Sparekassen Sjælland-Fyn A/S is a friendly shareholder which, through the acquisition, wishes to support the Board of Directors, management and employees of Nordfyns Bank A/S in their efforts to strengthen Nordfyns Bank's position on Fyn.
